

U3A Class Enrolment 2021

U3A Goulburn Mulwaree Inc. PO Box 677 Goulburn NSW 2580

Our U3A has moved to cashless payments via direct bank deposit or internet banking.

The latest 2021 class information including the SIG and class codes, dates and time, cost, tutor etc is on our website www.gm-u3a.com.au under the Classes 2021 tab.

In 2020 some of our classes were grouped into Special Interest Groups or SIGs, which worked well.

In 2021 ALL of our classes are grouped into SIGS.

Most have a cost of \$5.00 but some may cost more due to additional expenses.

For example Alfresco Jubilo Choir, other choirs and recorder are now grouped in the Music SIG so you need enrol by using the MUS code below. The short Story Writing class and the new bookclubs are in the Literature SIG and enrol using LIT code below.

Please use the 3 letter codes for each and every SIG you want to enrol. There is enough space for several SIGs on one form, if you are wanting to enrol in more SIGs you will need to use another form and make another payment.

See website for more details.

Enrolment is a two step process:

- 1) Enrol and pay for one or more SIGs using the form and details below**
- 2) Reply to the confirmation email indicating which classes in those SIGs you would like to join subject to class size and Tutor approval.**

When making a direct bank deposit please identify yourself on the payment by using your 3 digit membership number, first 3 letters of your surname and then the 3 or 4 letter code for each SIG you want to enrol.

Any unidentified payments can only be treated as a donation to U3A.

In order to enrol you will need to have already paid your 2021 membership subscription.

In order to simplify paying over the counter at the Commonwealth Bank in the Mall please fill out the form below before going to the bank. If you are using Internet banking please use the details below and remember to type in your identifying reference.
